A PLACE FOR EVERYTHING

## HOTEL SANTOS PORTA FIRA WELCOME TO THE EXCELLENCE

If you want to feel comfortable, there's no better place. If you want to succeed, we are your best allies. If you want it all, stop looking. Welcome to the perfect place for the best possible experience.

The Hotel Santos Porta Fira has been considered the best skyscraper in the world and awarded with the prestigious "EMPORIS AWARD 2010". It is situated in one of Barcelona's areas of greatest economic expansion, in l'Hospitalet opposite the Fira Gran Via, in an unbeatable location for accessing the centre of Barcelona and El Prat airport.

The Hotel Santos Porta Fira is a work of the prestigious Japanese architect Toyo Ito, famous for creating other designs including the extension of Barcelona's Fira Gran Via.

"Porta" means door in Catalan. We invite to open it and discover everything you expect.
